

Bassano Annual Performance Plan 2020/2021

2nd Quarter Progress (July 1st to September 30th).

Priorities chosen were based on the feedback received from area communities policed by the Bassano RCMP for the 2020/2021 year. The following results generated were based on activities within the detachment's entire area of jurisdiction of the County of Newell, County of Wheatland, and Villages and Towns of Gem, Bassano, Rosemary, and Hussar. **COVID 19- Bassano RCMP is dedicated to continuing to provide a high level of service to all our residents in our current crisis. Rest assured we are fully operational to answer all calls for service in the safest manner possible during these unprecedented times. With this in mind, our level of community engagement will be tailored with social distancing in mind to keep all parties safe from the transmission of COVID-19. We are here to keep all our community members safe, and will continue to strive to improve our level service in the future. Stay safe and remember we are here to help in your time of need.**

1. Priority - Community Engagement

- a. 17 youth engagement Sessions Bassano, Gem, Rosemary, and County of Newell.
- b. 14 event participation and attendance.
 - i. 2 Online interactive education programs (Rural crime. Mental health)
 - ii. Bassano Town Hall Q&A on how we can improve police services.

Below our pictures of our members who continue to serve each community with respect compassion and professionalism.

Bassano Annual Performance Plan 2020/2021

2. Priority - Contribute to Safe Roads

- a. **10** Impaired drivers were charged in your communities.
- b. **3** Road safety presentation online and in school were completed to high school students on driving safety in school zones.
- c. **17** Motor Vehicle Collisions

3. Priority – Crime Reduction (Rural property crime)

- a. **214** pro-active Rural Crime Patrols to Hussar, Bassano, Gem, Rosemary, Counties of Newell and Wheatland.
- b. **69** Hot spot Patrols* Based on our Intelligence program from last year we have identified hot spot areas where Copper thefts is prevalent and have increased patrols in these designated areas.
- c. We had **2** break and enters into businesses in Hussar during this quarter where our SOC's had a firearm. Both SOC's have been identified through our intelligence program and we are currently pending DNA analysis from blood left at scene to complete investigation and charges suspects.

4. High Priority Calls.

- a. **5** Sudden Deaths
- b. **3** MHA transports
- c. **7** Charges laid in Person crimes * Defined by Assault, Sexual Assault, Harassment, Utter threats

*Update: since the easing of restrictions by the Alberta Government of Covid-19, we have seen an increase in calls for service this quarter from last quarter's 200 calls to **396** this quarter. We have noted a slight decrease in person's crimes, but an uptick in Break and enters in our rural areas businesses. Calls for service for copper theft files have greatly decreased, and Bassano RCMP is more focused on helping to curve crime in other areas.

- R stands for Rosemary, B stands for Bassano, G Gem, H for Hussar

TOTALS	161	217	5	14	3	214	61

Bassano RCMP would like to thank its community members for helping to curve property crime by calling in suspicious people on or around their property and continuing to keep an open line of communication.

Bassano RCMP will continue to improve on our policing based on further Town Hall meetings in your community and engagement with your leaders.
