### 2021 UTILITY RATES

Monthly Utility Billing: \$120.00

Annual Utility Billing: \$1440.00

### HOW TO PAY YOUR BILL.....

Having a hard time remembering to pay your bill on a monthly basis? We can help! The Village has more than one option to pay your bills.

- Drop off post-dated cheques. The Village will automatically process these cheques. (These cheques can be for both utilities and taxes.)
- Switch to annual billing. With annual billing you can pay once for the entire year. (There is no cost savings by paying monthly or annually.) Yearly accounts are billed in February and due March 31.
- Pay by interact e-transfer through online banking. Please contact the Village Office for more information on e-transfer requirements.

**If you choose to combine your monthly tax payment with your monthly utility payment, please indicate this on your cheques. The Village will automatically use the cheque to pay the full outstanding utility amount and then pay the remaining amount to taxes if no breakdown is provided.**

## Upcoming Events

### Regular Council Meeting

## Think Before You Flush!

Please remember that the following items should **not** be disposed of by pouring them down the drain or in the toilet. These items can harm sewer pipes that are connected to the Village sewer system.

- Bathroom wipes
- Fats, oil and grease
- Condoms
- Feminine hygiene products
- Cotton balls
- Prescription medication
- Paper towels
- Cigarette butts
- Band-aids
- Dental floss
- Cat litter
- Disposable diapers

## Frequently Asked Questions

### Q. Are the grass clippings and tree pile behind the gun range open?

**A.** No, all piles behind the gun range are now closed for safety reasons. The grass clippings pile has been relocated to the last overflow campground site. All wood needs to be taken to the transfer station. The Chip Pit accepts clean bare lumber, trees cut to 10 ft lengths, brush, pallets, and branches. There is also a bin for pressure treated wood.

### Q. Do I need a development permit?

Thinking of putting up a fence, garden shed, garage, deck or doing some work on your house this year? Not sure what types of development and building permits you need? The Village Office can help!

**A.** Development permits are issued by the Village Office and are generally required for decks, accessory buildings, new builds and additions. Development permits are granted based on the Village's Land Use Bylaw. Any construction that does not require an approved permit (for example a fence), still must comply with the Land Use Bylaw or you can apply for a variance. Please read our Land Use Bylaw 493-14 for more information or contact the Village Office.

### Q. Do I need an animal license?

**A.** Yes, ALL dogs and cats within the Village must be licensed annually. Spayed/neutered Cats & Dogs are \$10, all others are \$20 (third pet is \$50 and requires an application to be filled out and approved by Council as per the Animal Control Bylaw). This includes all indoor and outdoor cats and dogs. Failure to obtain a license could result in a penalty of \$150. Please read our Village of Hussar Animal Bylaw 485-13 for more information or contact the Village Office.

### Q. Can I set off fireworks in the Village?

**A.** Fireworks are not allowed unless you receive permission from Council and the fire department. 8.1(s) No person shall discharge fireworks or incendiary devices within the Village without Council and Fire department consent. {Which could result in a \$1000 minimum penalty} Please read our Village of Hussar Fire Bylaw 501-15 for more information or contact the Village Office.

### Q. Can I take materials from the Village piles at the sports grounds, or use Village equipment?

**A.** No these materials and equipment are all property of the Village of Hussar and are not for public use. If you have any further questions, please contact the Village Office. Permission may be given on a case-by-case basis

**All of these bylaws can be found on our website [www.villageofhussar.ca](http://www.villageofhussar.ca)**
